

## James C. Garriott Meeting Grant Application

The James C. Garriott grant was established to encourage chemists at the bench level to present their own research or interesting case studies. In 2010, the Southwestern Association of Toxicologists named the meeting grant in memory of Dr. James C. Garriott and his commitment to encourage the active participation of bench chemists in the organization. The SAT board currently has set the amount of the grant at \$300.00 plus meeting registration. The grant may be awarded to two individuals per meeting (per the approval of the board). It may be applied toward the current meeting or one of the subsequent two meetings.

*Guidelines for meeting grant:*

- SAT Member in good standing
- Presenting paper at meeting
- Non-supervisory position
- Sponsoring letter from laboratory/section manager or professor

Applicant's Name: \_\_\_\_\_

Job Title: \_\_\_\_\_
